Normal Delivery Lead Time

Most orders will ship the same or next day. Items not in stock will be back ordered and expedited to ship as soon as possible. When possible we will drop ship items directly from the manufacturer so as not to incur additional delay.

Freight Policy

We make every effort to ship your order on the same or next day after receiving your cleared payment.

Shipping and handling charges are based on combined weight and the dimensions of your order.

Package Carriers have established specific weight and size limits for individual packages.

The restrictions below only pertain to individual packages, there are no limits to the total weight or the total number of packages in your shipment.

- Packages can be up to 150 lbs (70 kg).
- Packages can be up to 165 inches (419 cm) in length and girth combined.
- Packages can be up to 108 inches (270 cm) in length; however, due to our own packaging constraints, the longest package Verocious Motorsports will ship is 96 inches or 8 feet.

Oversize packages and packages with a large size-to-weight ratio require special pricing and dimensional weight calculations. Tubing shipments may fall into an oversize category.

Note: Packages that exceed Package Carrier's weight and size limits are subject to an Over Maximum Limits charge.

The limits listed above apply to most packages and destinations, but there are some variances because of different local restrictions in some countries.

If you would like to place an order that exceeds the Package Carrier's shipping restrictions, we will gladly ship your order via a common carrier. Please call 877.VMS.1320 to speak with one of our sales representatives to make arrangements.

If you are ordering multiple pieces of tubing or multiple sizes, please contact a Verocious Motorsports Sales Representative at 877.VMS.1320 or sales@verociousmotorsports.com to confirm your shipping rate, as the online shipping calculator may be incorrect.

International Orders

We are happy to serve customers from all over the world. Please note that customs forms will be filled out as "merchandise" using your actual sale price as the value. We're not a great fan of customs taxes, but unfortunately it's illegal to try to avoid them. We hope you'll understand. Please contact your local post office or customs office to estimate potential customs charges to import our items from the USA.

Special Orders / Drop Ship Orders

We make every effort to accommodate our dealers and wholesalers when the need to put through a special order or drop shipment arises. However, to make the processing of these orders more efficient and cost effective, we ask that our dealers and wholesalers take into account the following:

Special Orders

- The Minimum Order value for a special order item is \$25.00 US.
- Special orders are non-returnable and non-cancelable.

Drop Shipments

- If you need an item dropped shipped, it is most efficient if you order online and change the shipping address. This will ensure the address is entered correctly, and minimizes any chance of errors. Please note drop shipments entered online will ship with a Verocious Packing Slip.

Blind Drop Shipments

- If you need a package to be shipped blind, you must call one of our sales representatives and place your order via the phone.

Returns

Verocious Motorsports is committed to selling only the highest quality products and providing outstanding customer service. If you are not completely satisfied with your purchase for any reason, we will gladly accept a return for exchange, merchandise credit, or refund. Please ensure the item you are returning is in the same original condition that you received it in, save all original tags, packaging, and paperwork in preparation for return.

Please contact us at sales@verociousmotorsports.com within 30 days of the purchase date to request a return authorization. Please include your First and Last name as well as your order number in your email. Return Authorizations requested within 30 days of your date of purchase will not be subject to restocking fees. Return Authorizations requested 31 to 60 days after your date of purchase will be subject to a 25% restocking fee. Restocking fees will be assessed based on the value of the items you are returning. Items are not returnable after 61 days from the date of purchase.

No Returns will be accepted without a Return Authorization issued from Verocious Motorsports.

All sales are final on any items marked closeout or clearance, as well as special order items.
